Goal • To work in a professional creative environment in a fully remote design position. Where I can continue to learn, a place that will challenge me and utilize my skills as a graphic designer.

Education

Full Sail University

Bachelor's of Science in Graphic Design
November 2009 - October 2012

Full Sail University

Master's of Fine Arts in Media Design
January 2013 - August 2014

Experience

Affinity Development Group - Costco Auto Program • Graphic Designer • June 2019 - Present

Create designs for both print and digital including magazine layouts, print collateral, email banners, and social media for Costco Auto Program in a fast paced work environment.

Freelance • Graphic Designer • 2012 - Present

Worked with many small businesses and bloggers to create branding, logos, packaging, digital assets, and collateral. Clients including Red Door Interactive, STN Digital, Power Digital Media and more.

TSIA • Contract Graphic Designer • March 2019 - June 2019

Design large scale print work for conference assets, for example: posters, banners, trade-show booths. Designed digital assets for social media, email, ad banners, and more.

Lake Murray Community Church • Volunteer Graphic Designer • July 2017 - August 2019

Designed promotional flyers, brochures, social media, and booklets for the many events they hold throughout the year.

SlideGenius • Graphic Designer • April 2014 - July 2017

Provide creative and interactive presentation designs for several different clients that focused heavily on client's branding and message. Working with clients such as Comcast, NASCAR, JP Morgan, Spotify, and Blizzard Entertainment.
